

RUFARO R. CHIPOYERA

Belhar 8, Cape Town 7493 · +27 84 027 3816 · chipoyerarufaro28@gmail.com · [LinkedIn: Rufaro Chipoyera](#)
BSc Computer Science (3rd Year) · University of the Western Cape

PERSONAL PROFILE

As high-achieving third-year Computer Science student at UWC, Dean's List recipient, and national-level High Performance Computing competitor. I combine strong academic performance with hands-on leadership in student organisations, tutoring, and community outreach. I am organised, self-driven, and effective across both technical and interpersonal settings.

EDUCATION

University of the Western Cape BSc Computer Science 88% GPA Dean's List (2024 & 2026) Summa Cum Laude	2024 – 2026
Goromonzi High School A-Level GPA: 4.0 Among the top A-Level students in the district (20 points)	2021 – 2022
Monte Cassino Girls High IGCSE GPA: 4.0 Among the top O-Level students (12As)	2017 – 2020

WORK EXPERIENCE

Tutor – CSC211 Data Structures & Algorithms (2nd Year Module) <i>University of the Western Cape</i> - Achieved 1st place in the module with 97%, demonstrating mastery of course content. - Facilitate tutorials and practical sessions, explaining complex DSA concepts to second-year students. - Mark assessments, upload results, and handle academic administration. - Provide one-on-one consultations to support struggling students.	Feb 2026 – Present
Private Tutor – Cambridge Syllabus (High School) <i>BrightSparks (2025–present) & TutorsSA (2024–present)</i> - Tutor high school students across Cambridge IGCSE and A-Level subjects with a focus on exam preparation. - Deliver structured, personalised sessions to build conceptual understanding and exam technique.	2024 – Present
Orientation Leader <i>University of the Western Cape</i> - Supervised and evaluated orientation guides, reviewing and approving their daily plans. - Chaired coordination meetings and liaised between upper management and guide teams. - Ensured accountability, punctuality, and smooth delivery of the orientation programme.	Jan – Feb 2026
Student Assistant – Centre for Student Support Services <i>University of the Western Cape</i> - Provided administrative support including document preparation, filing, and report writing. - Coordinated institutional events including the Career Expo and Heritage Day.	Feb – Nov 2025
Recruitment Officer – TechForward Programme (Webmax Coding Academy) - Recruited and managed volunteers and executive committee members for outreach to under-resourced community schools. - Introduced learners to programming and computing fundamentals through interactive tools and games. - Maintained records, compiled performance reports, and conducted interviews for board and volunteer roles.	Mar – Nov 2025
Orientation Guide <i>University of the Western Cape</i> - Oriented first-year students, managed attendance registers, and compiled daily reports. - Assisted with conflict resolution and supported new students' transition to university life.	Jan – Feb 2025

ACTIVITIES & LEADERSHIP

President – UWC Mathematics Club

2025 – Present

- Lead a club that provides free mathematics tutoring to high school students who cannot afford private tutors.
- Organise food drives and campus soup days to support students during examination periods.

Co-Founder & Mentor – UWC High Performance Computing Club

2026 – Present

- Co-founded the club to introduce students to the HPC field: Linux, networking, HPC hardware, and cluster computing.
- Mentor club members and manage selection and full-year preparation of teams for the Student Cluster Competition (SCC).
- Teams are mentored through to the national round held annually in December.

Treasurer – Leadership Experience Opportunity (LEO) Club

2021 – 2022

Goromonzi High School

- Managed club finances and contributed to leadership development activities.

Junior Prefect | 2019 – 2020

Monte Cassino Girls High

ACHIEVEMENTS

University:

- 1st place in CSC211 (Data Structures & Algorithms) with 97%.
- Dean's List – Summa Cum Laude (2024 & 2026).
- Top 3 First-Year Undergraduate Students at UWC; nominated for Top First-Year at the Rector's Awards.
- 2nd best student in COS101 (Introductory Computer Science) with 91%
- Selected for the Accelerated Excellence Programme (2025) – a year-long leadership development programme for top performing students across all faculties, covering presentation skills, media skills, community engagement, and digital/transmedia presence; visited Aurora Youth Centre in Kuils River for community outreach.
- Team placed 3rd at the National Round of the Student Cluster Competition; selected as one of 8 students to represent South Africa at the International Supercomputing Conference (ISC).

High School:

- Among the top A-Level students in the district (20 points).
- Among the top O-Level students in the district (12 As)

SKILLS

Technical: Linux, HPC cluster computing, Networking fundamentals, Python, Java, SAS, R, SQL, Data Structures & Algorithms, Microsoft Office Suite

Professional: Leadership & team management, event coordination, recruitment, report writing, public speaking, mentoring

INTERESTS & HOBBIES

High Performance Computing · Mathematics · Programming · Community Outreach · Art
